

NSNFP FUTURE

- “The NSNFP is very important and Jessie and I have discussed transferring the program from EM to RW and have agreed to continue discussions”
 - » Dr. Margaret Chu
 - » House Appropriations Subcommittee hearing March 2003

NSNFP FUTURE

- “The INEEL also manages the DOE National Spent Nuclear Fuel Program. This program performs the analysis and technology development to support inclusion of DOE-owned spent nuclear fuel in the repository license application. As Yucca opens, this program will play a larger role for DOE and the INEEL”
 - » Sen. Crapo (R-Idaho)
 - » Senate Hearing on Yucca Mountain (July 2002)
